To the Chosen Bride of Christ — Live in Love

This is a letter from John the Elder to the chosen lady which is the church God has chosen and her members which are born again believers. This letter is not to give you a new revelation or commandment but to urge you to live in love one for another.

This is the commandment that we had from the beginning that we love one another. Love means

This is love: That we walk in obedience to his commands.

doing what God has commanded us to do in the Holy Scriptures. The Law of Christ is divine love growing in a renewed heart by the power of the Holy Spirit until it reaches the point of overflowing spontaneously toward all others that we come in contact in the daily walk of our life because of the truth of Christ and the grace and mercy of the Father are uncontainable in your life.

Watch out for the Antichrist

There are many that do not believe that Jesus Christ the Son of God came to earth in a real body to die for our sins and restore us to salvation, children of God and fellowship with Him. Such a person is a deceiver and an antichrist, watch out for them. If he comes to your meeting and teaches error, do not let him in your house! If you encourage him, then you become part of the teaching of error.

One who does not acknowledge Jesus Christ is a deceiver and the antichrist!

Constantly watch so that you do not get into error. If you wander beyond the teaching of Christ, you will not have fellowship with God.

Prosper and be in Health even as your soul prospers

Dear friend, I am writing to tell you that I am praying that all is well with you and that in every area of your life that God has richly blessed you and that financially you are as prosperous as you are in spiritual things and that you have good health. It is O.K. to be prosperous and have good health along with your being spiritually alive and walking after God. But my greatest joy is that you have continued to walk in the truth before God.

Concerning ministering and doing the work of the Lord, I have heard of your good report, how you have taken care of traveling teachers who are passing through your area and are strangers to you and you have taken them in to your home and helped them in their ministry. Dear friend, you are doing a good

work and being faithful in your walk and ministering to the needs of others. You walk in the truth because it can be seen that the love of God comes forth from you as you are faithful to minister to the brethren.

Follow not that which is evil and do not let the bad example of others influence you. Follow only that which is good. Remember that those who do good prove that they are God's children and those who do evil prove that they do not know God! Even if one is the leader of the local church, do not imitate his actions if he does not walk in the light.

In the day of apostasy, do not follow after that which is not from God but follow what men call the primitive truth of Jesus Christ which sets men free in all ages. Stand fast in the primitive simplicity and hold on the truth which gives you freedom in Christ.

You shall know the truth and the truth shall set you free..... Those who do good prove that they are God's children...
