To Those Called and Loved by God

Jude the servant of Jesus Christ and the brother of James. In all that we are and the honors that come our way it is fitting that, as Jude writes, that we put our crowning achievement and hope to glory first and oh, that we could say with Jude that first and foremost we are servants of Jesus Christ in all of our life in all that we do! Praise God, it was by his grace and love that we were chosen to salvation and the object of His love. It was the physical manifestation of that love that was shown in the life of Jesus choosing to suffer humiliation and physical death on the cross as a pure an Holy sacrifice for our sins. We share a common bond greater than nationality or race in our salvation for we are all in the care of Jesus Christ! May you receive more and more of God's mercy, peace and

love and may it be multiplied unto you. Defend the truth of the good news of Jesus Christ a gift of God to His holy people, by His grace, once and for all entrusted unto the believers.

Grace- License for Immorality?

Some Godless people are among you teaching that because you are eternally saved by the grace of God that you have license to do all manner of evil and immorality. It is not so. You are eternally kept by Jesus Christ and are in possession of salvation by faith in Christ, knowing that it is a gift of God. Those who have turned against our only Lord and Master, Jesus Christ, face condemnation in the

Hold Fast to your Faith and Obey God in all things

You already know about this but let me just remind you about this. The Lord rescued the whole nation of Israel from Egypt and then He destroyed every one of those who did not remain faithful. How many of the the adult people who left Egypt actually crossed over into the promised land? There were Joshua, Caleb, and now name the rest. Remember reading of the angles not staying in the authority given to them by God and He has had them chained in the place of darkness waiting for the day of judgment. Sodom and Gomorrah were destroyed by fire as a warning of the coming eternal punishment that will punish the evil ones.

Be assured that one does not mock God by taking His grace and using it as a license for living a life of immorality and sin. A true believer does not do this. Those who do will not go unpunished! If you love God, keep His commandments.

False Teachers have been doing these things

(1) They claim authority from their dreams. Authority comes from Jesus Christ and is backed up by the word of God (in the Bible). When one claims authority by a dream, it could be from God which would line up with the word or it could be the work of a familiar spirit.

(2) False teachers live

immoral lives. When one is not a true believer, they will not stand over a period of time because it takes the power of the Holy Spirit which indwells every believer to overcome the world.

(3) False teachers defy authority in that they seek license to do their own will and do not want to be accountable to anyone.

(4) Slander celestial beings in ignorance not knowing they have power to destroy these people.

Even the archangel Michael in doing battle with the devil over the body of Moses, did not accuse Satan of anything but said, "The Lord rebuke you." These people mock and curse things that they don't understand.

They follow the way of:

Cain a type of religious natural man who believed in God but was not acceptable to God because the desires of his flesh were stronger than His love for God. He killed his brother. In following their instincts they bring themselves to destruction.

Balaam a self righteous man who would do anything for money and blind to the higher things of God.

Korah who perished because of his rebellion when he denied the authority of Moses as God's spokesman.

False teachers will have to answer for their sins!

WHEN BAD PEOPLE JOIN GOOD

When these false teachers join your fellowship meals celebrating the love of Jesus Christ our Lord, they are like dangerous reefs that can shipwreck you. The shameless and fearless way that they conduct themselves eating the Lord's Supper with you without qualm. They are as shepherds that only feed themselves. They are as clouds without rain and as a tree without fruit. Twice dead because they have been pulled out by their roots. They are as the sea churning up dirty foam from their shameful deeds. They are as wondering stars for whom the blackest darkness has been reserved forever. This is the people that Enoch prophesied about in the seventh generation from Adam. These people are grumblers and complainers doing whatever evil they want to. They brag of themselves and they flatter others for their own advantage. Observe these things in your fellowship and know that you have been warned about them and take care that you be not misled.

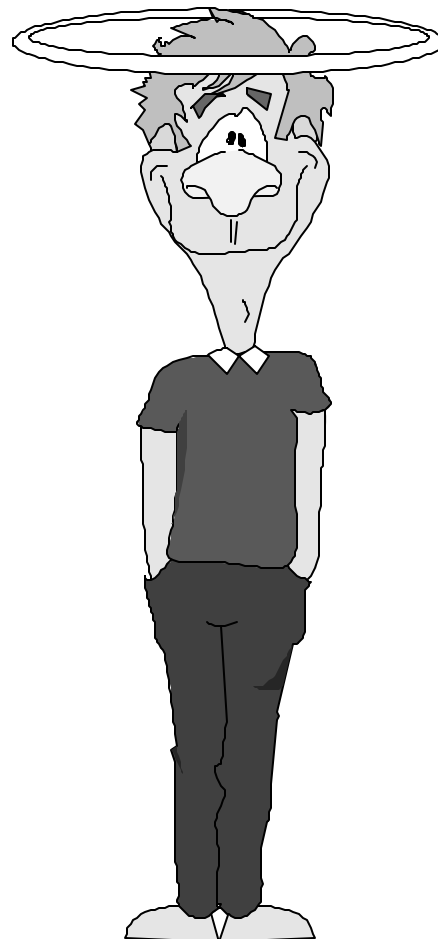

Build yourself up in prayer in the Holy Spirit

Remember what the apostles of our Lord Jesus Christ told you. You must build your lives on the foundation of your most Holy Faith. Pray in the Holy Spirit as you are directed to do so. The Holy Spirit will pray through you and for you and for the things that are in the perfect will of the Father. Praying in the Holy Spirit builds you up and gives you strength to overcome and keep yourselves in God's love. Live in such a way that God's love can bless you as you wait for the return of Jesus Christ to see eternal life. Show mercy to those who waver in the faith. Rescue some by snatching them from the flames of judgment hating even the garment spotted by sin. Others you will need to show mercy to in order to make a difference in their lives. Use the appropriate methods to bring them to salvation but be careful that you are not contaminated by their sins. Remember the faith which brought you into salvation.

THESE ARE SURELY THE LAST DAYS!!!

My dear friends, you must remember what the apostles of Jesus Christ told you. In the last time there will be scoffers and mockers. Their purpose is to enjoy themselves in every evil way imaginable and they will create divisions among the believers. They live by natural instinct because they do not have God's Spirit living in them. Have we not seen the prophecy being fulfilled before our eyes. It is a wonderful generation to live in to see the end time approaching, it is the worst generation to live in for we shall see the great turning away as it was in the days of Noah. What shall we do? Look to Jesus who is well able to keep you from falling or stumbling and who will bring you into his glorious presence innocent of sin and with joy greater than your mind can comprehend. To our God and Saviour be glory, majesty, power, and authority in all ages past, now and forevermore.
